Bookscouter.com Bookscouter streamlines your selling process by helping you find the best prices. Read the Open Letter to the Community by the Clash Royale team. Fear not — the material and gold costs will not be doubled for the next level up. The caveat of this math is that it assumes that the material cost is always an important factor, when in reality it's not always the case. Similarly, a Lvl 13 maxed Legendary card before the update will start as 14/20 progress towards Level 14 once the update drops. The minimum buyback is \$15. The material and gold costs for Level 11-13 will be lower, depending on the Rarity.
